

1 - About Astage

We are a professional group specializing in plastic injection molding.

With over 40 years of experience specializing in the sales and distribution of plastic injection molded products, we have been working with various major retailers located throughout the world.

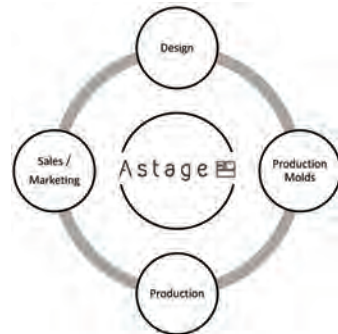

Date Founded	1973
Capital	1 Million USD
Annual Sales	54 Million USD
Employees	110

We have 5 factories located throughout Japan . With our fully automated production lines and professional, skilled Japanese workers, we proudly provide high quality products.

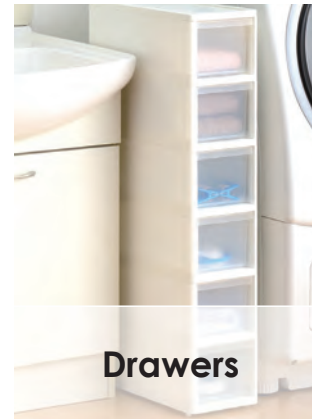

In 2018, we established **Astage Global Inc.**, based in New York. Bringing ourselves closer to the market will allow us to engage directly and efficiently with our customers.

Domestic shipping from our Los Angeles warehouse is available.

**Custom orders are available.
OEM projects welcomed.**
